To Whom It May Concern,

My name is Nellie Andreeva, television editor for The Hollywood Reporter.

I've known Gail Schiller since she joined the paper in 2004 as a reporter covering branded entertainment and marketing.

Gail has great reporting skills. She thoroughly researches and meticulously fact checks every story. She has developed solid sources and has broken a number of big stories.

Gail also is very entrepreneurial, generating story ideas and seeing them through. Gail is very dedicated to her job. At The Reporter, she frequently worked extra hours and weekends on breaking stories or features.

Her strength is writing in-depth, enterprise stories, which showcase her strong reporting, analytical and writing skills.

Additionally, she is great to work with, maintaining good relationship with her co-workers and always willing to collaborate.
